OnKure Therapeutics to Participate in the 9th Annual Evercore Healthcare Conference

November 23, 2026

BOULDER, Colo., Nov. 23, 2026 (GLOBE NEWSWIRE) -- OnKure Therapeutics, Inc. (Nasdaq: OKUR), a clinical-stage biopharmaceutical company focused on developing novel precision medicines, today announced that senior management will participate in a fireside chat at the upcoming 9th Annual Evercore Healthcare Conference being held in Coral Gables, Florida, on November 30 – December 2, 2026.

Fireside Chat Details:

Date:	Monday, November 30, 2026
Time:	1:20 PM ET
Presenter:	Nicholas Saccomano, Ph.D., President and Chief Executive Officer
Webcast:	Link

The OnKure management team will host one-on-one meetings during the conference. Interested investors should contact their Evercore representative to schedule meetings.

About OnKure Therapeutics
OnKure Therapeutics (Nasdaq: OKUR) is a clinical-stage biopharmaceutical company focused on the discovery and development of best-in-class precision medicines that target biologically validated drivers of vascular anomalies and cancers that are underserved by available therapies. Using a structure and computational chemistry-driven drug design platform, OnKure is committed to improving clinical outcomes for patients by building a pipeline of small molecule drugs designed to selectively target specific mutations thought to be key drivers of vascular anomalies and cancer. OnKure aims to become a leader in targeting PI3Kα and has multiple programs designed to enable best-in-class targeting of this important molecular target.
